THE MALTINGS

Cardiff's
newest
event
space

The Maltings in association with KIN+ILK offers the perfect venue for any style of event with capacity for up to 200 guests.

This new KIN+ILK space has taken its design inspiration from the history of The Maltings building, showcasing terracotta brick walls that help to define the large indoor/outdoor space. The look and feel of this space offers a different vibe due to the selection of natural fabrics, raw oak timber, amber lighting and charcoal steel. The full-height glass entrance means the KIN+ILK events space is filled with natural light throughout the day and a cosy feel throughout the evening.

There is the option to host events inside and out. The KIN+ILK events space is partitioned off by a huge glass door making it ideal for conferences, working breakfasts and lunches. This venue also boasts a Mezzanine room for private events.
